MEMORANDUM FOR: Chief, Regulations Control Staff

SUBJECT : Request for Complete Set of Agency Field Regulations

1. In connection with the forthcoming activation of an overseas activity of this Project, it is requested that this office be supplied with a complete set of Agency Field Regulations, including those for which Controlled Distribution criteria apply.

2. It is also requested that our earlier requirement for one set of Headquarters Agency Regulations and two sets of Agency Field Regulations be carefully examined with a view toward seeing that we are still on the receiving list for additions and deletions to either category. In recent weeks we have noted an absence of certain regulatory material which we have attempted to use with direct citation.
